Report for Alumni

JES Alumni Cell was formed in January 2023 with the aim to bring esteemed Alumni under one roof with an intention to get their assistance for their valuable suggestions and the development of the institution. JES Alumni Cell got a warm response from alumni and hence succeeded in conducting a few programs in that direction. The very first program was Alumni Meet which was organised on 21st January 2023 in which alumni over a decade participated. They were urged to be torch bearers for the next batches. Various games were played and DJ night was arranged.

A workshop on Pheta Tying and Basic Makeup Skills were conducted by JES alumni Yash Chliveri and Amit Ghadi respectively.

A workshop on Java Programming for BSCIT students to explain the importance of a life long course was conducted by BSCIT Topper Shubham Hariyan.
