Academic Year 2022 - 2023

Action Taken Report for Feedback Collected

29th April 2023

Sr. No.	Action to be Taken	Action Taken
1.	More seminar will be conducted to guide the students about different career opportunities and openings for higher studies.	Seminars on different career options available to students after graduation planned for Academic Year 2023 – 2024.
2.	Suggestion to put forward to CDC to provide high tech classrooms to Senior college so that each teacher can visit classroom once a week.	Suggestion had been put forward to the CDC – new building with high tech rooms in process.
3.	Faculties will be asked to prepare lesson planner and accordingly complete the syllabus. If required faculty must take extra lectures.	Instructions were given by the Principal in the staff meeting for effective delivering of curriculum.
4.	Identification of constraint with respect to curriculum. Suggestion will be given to BOS	Suggestions were forwarded to the BOS.
5.	Examination Committee will be directed that all faculties must submit question paper along with answer key.	Examination Chairperson instructed the teachers to prepare answer key along with question paper submitted.
