Report on visit to Gilbert Hill

08 December 2022

On the 8th of December 2022

On 8th December 2022 Students of Fybcom class along with their class mentor Hyder Sir and Iqbal Sir visited the Gilbert Hill Andheri west.

The Objective of the visit

Gilbert Hill is a 200 ft (61 m) monolith column of black basalt rock at Andheri, in Mumbai, India. The rock has a sheer vertical face and was formed when molten lava was squeezed out of the Earth's clefts during the Mesozoic Era about 66 million years ago.

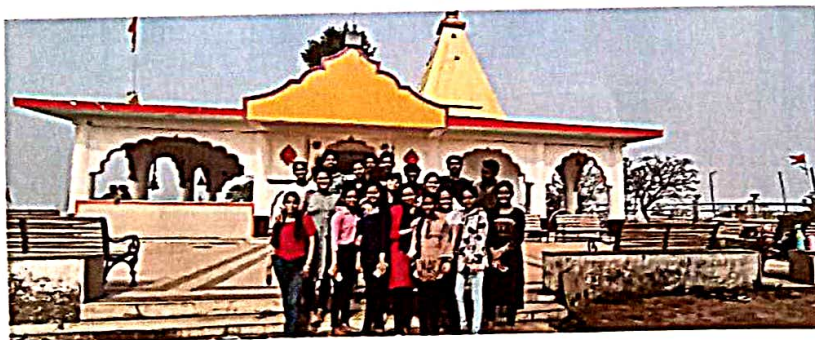

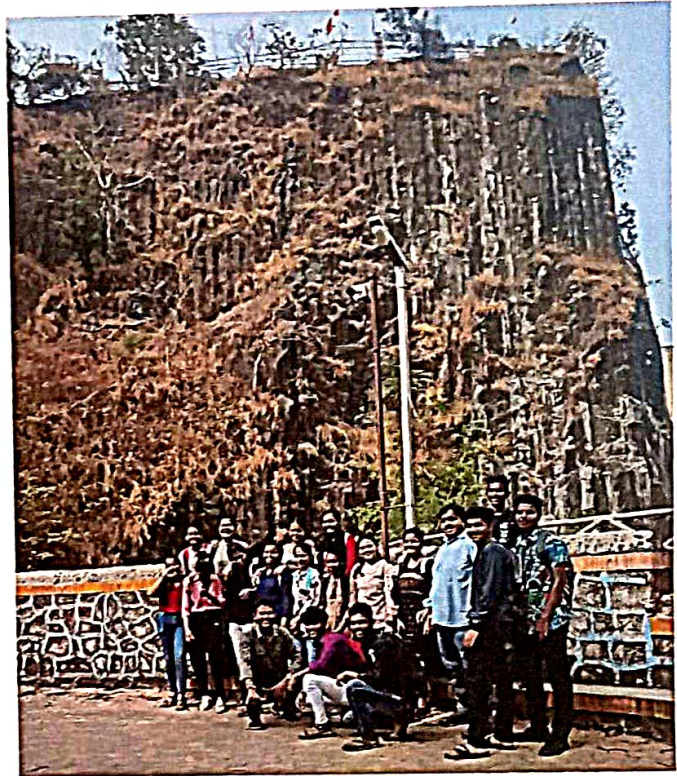

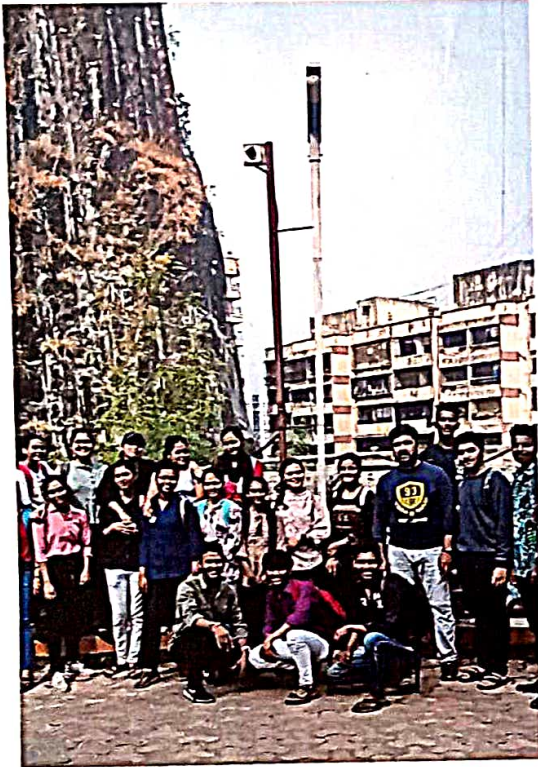

Oldest heritage site with temples and small garden atop carved hilltop rocks offering stunning views of Mumbai's suburbs.

Being formed due to molten lava squeezed during Mesozoic Era, is a protected Grade II heritage.

FIELD VISIT

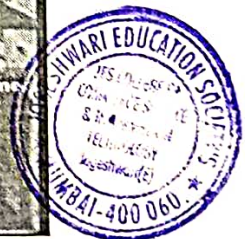

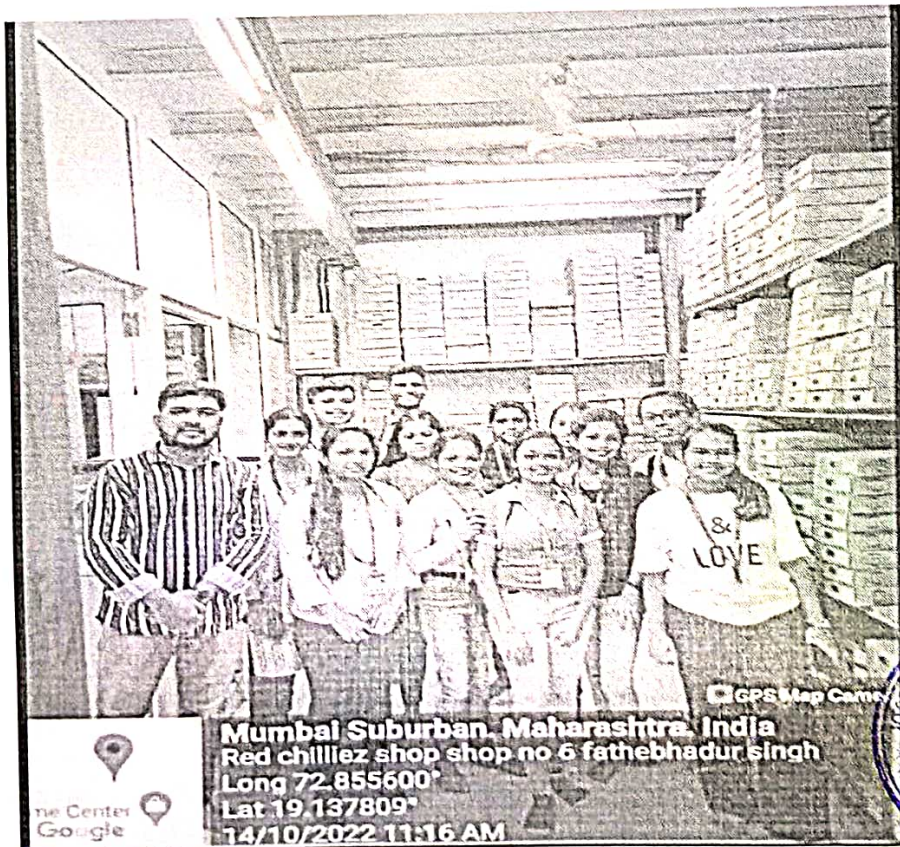

Company Name:- TIZARD AND TERRINO

14TH OCTOBER 2022

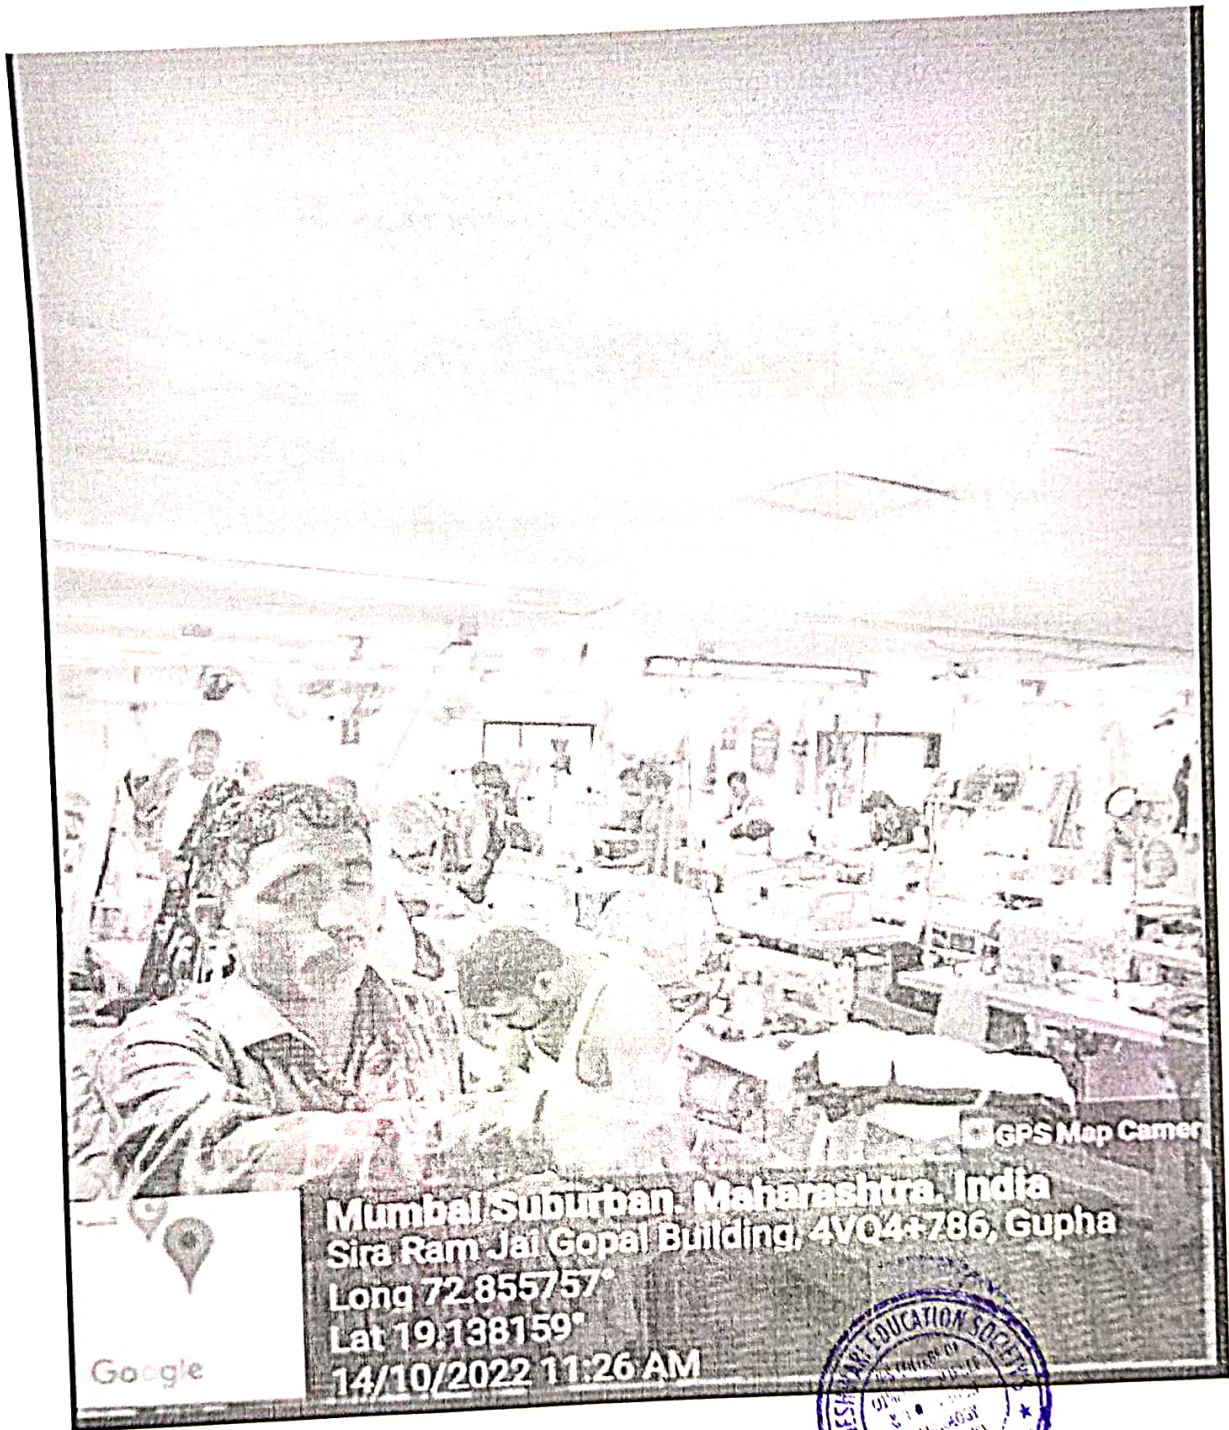

On 14th October, Friday we the students of TYBMS went for field visit to a textile industry named TIZARD AND TERRINO. The company was started in year 1996 by Prabhu Ram and now Manish is handling it. We were 14 students in all who belong to marketing and finance stream, we visited the industry under the influence of Professor Hyder Khan.

The industry is located Sai Siddhi Nagar, Swami Sherwala Municipality, Jogeshwari East. In the industry there are around 25 - 30 labors who are paid on weekly basis by the hours they work. The industry works only in one shift 9:00 a.m. to 10:00 a.m. and on occasions till 1:00 a.m. as per the demand. In 2 weeks they sold 100 lot of shirts. The demand for this brand is from all over India. They have 3 branches in India with 60 to 70 machines. The cost of per shirt starts from 799 to 2000. TIZARD and TERRINO are the heavy quality brand in market as per the owner. The ratio of the shirts is M, L, XL. The stock comes from MJ market. The shirts carry the color up-to 5 years. The company has around 25000 storage capacity. The company supply goods to retailers as well as customers. The owners were not ready to disclose their turnovers and profit as they preferred to keep it as confidential.

The staff was very welcoming and gave us in depth information about there products. The industry is very huge and it contains everything from manufacturing to packaging

Report of the Field Visit to Bombay High Court

The students of SYBAF were taken for a Field Visit on 18th October, 2022 by the Class Mentor Asst. Prof. Neha Kothari. The no. of students was 21. The students gain the knowledge of the past and present legal systems by visiting the Museum located in premises of the High Court. One eye catching attraction of the museum for the students was the replica made of the functioning of the Courts in olden days that is before Independence. The students were also taken to the Court Room No. 104 on First Floor of the High Court to get the practical knowledge of the functioning of the Court. It was very pleasant and enlightening experience for the students and they will be interested in few more of such visits.

SYBCOM A – Report on Visit to Mumbai Urban Art Festival

SYBCOM A along with class mentor went to Mumbai Urban Art Festival, Sassoon Dock, Churchgate. They left the college campus at 10:00 a.m. They travelled initially by Mumbai Local then from Churchgate to Colaba by Best bus. They reached the destination at 11:30 a.m. Students experience the very first-hand experience of different art form and style. One of the unique characteristics of the festival was to include the element of science and visual effects. Overall, it was great learning activity for the students.
