Report on Tree plantation(3 Days)

20th July 2020

Tree Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence enhancing the beauty and balance of the environment. Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply.

By keeping this benefits of tree plantation in mind our NSS unit had decided to join with NGO s who are working towards betterment of environment. In association with Proud Indians Foundation Our 15 NSS Volunteers had participated in plantation drive in Yogeshwar area. Around 200 trees were planted in a span of 3 days i.e. 17th to 19th July 2020. In detail description of trees planted are as follows:

Jamun : 50 Trees

Vad : 25 Trees

Ashoka : 30 trees

Keshiya : 20 Trees

Kadulimba : 20 Trees

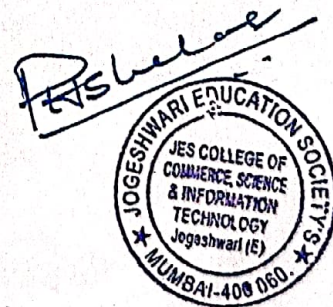

Kuranj : 25 Trees

Jaswand : 10 Trees

Sitaphal : 20 Trees

Report on distribution of posters and banners of blood donation and health Checkup camp

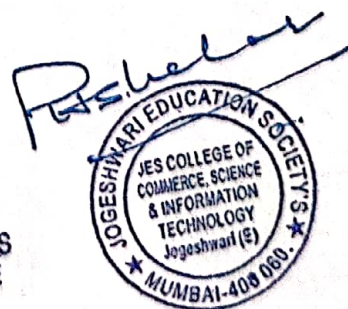

28th January 2021

Safe blood saves lives. Blood is needed by women with complications during pregnancy and childbirth, children with severe anaemia, often resulting from malaria or malnutrition, accident victims and surgical and cancer patients. Blood is the most precious gift that anyone can give to another person – the gift of life. A decision to donate your blood can save a life, which can be used individually for patients with specific conditions.

Our NSS Unit Had organised Blood donation and health Check-up camp at our campus in association with Proud Indian Foundation. To spread information about this 48 volunteers had distributed posters and banners in nearby areas of college on 24th and 25th January so that maximum people can take benefit of this Camps.
