As long back as in 1932, a few dedicated Saraswats sowed the seeds of education in a small residential house in Saraswati Baug. The founder of the institute was Mr. S.G. Warty, who had a great passion for education. He embarked on this noble journey with just 16 students of the fifth and the sixth standard with him. 'Sheelam Param Bhushanam' is the tag-line of the Society, which means "Education alone is the best decoration of a human being." The small sapling of JES which was cultivated in 1932 has now grown into a big tree, bearing fruits for one and all. Today, the institution takes pride in imparting high quality education, integrated with values and technology. Although the College run by the Society has a short history, the academic achievements of the students speak for the quality education imparted by the Institution. JES College of Commerce, Science & Information Technology managed by Jogeshwari Education Society was established in the year 2009-10 running B.Com, BMS, BSc.IT courses. Further in 2016-17 JES expanded further by starting BAF course with an enormous response from the student community.
