Respected Sir,

Greetings from University of Mumbai's- Garware Institute of Career Education & Development (UM-GICED)

UM-GICED has been instrumental in providing skill based education and training since 1984. Understanding the needs of society and industries, we have developed successful programs which have shaped the lives of thousands of students and provided a successful career.

As education is the cornerstone to build a successful foundation, learning and understanding about self and career is as important as learning about various academic subjects. Every youth has the potential to develop self-understanding and educational, career and personal-social development of students can be promoted by helping them cope with demands and challenges.

UM- GICED with a view to perform Institutional Social Responsibility, UM-GICED in association with **American India Foundation (AIF)** and **DELL Technologies** is offering "**Career Guidance & Enhancement of Employability Skills**" training program which will assist students in deciding their career path.

It includes:

- i) Career guidance
- ii) Employability Skills training
- iii) NSDC Course Certificate through Learning Management System

The details of which are given below known as hobbies.

The students who wish to join this program are required to register first using the link:

**i) Career Guidance**

In order to provide in-depth career guidance workshops will be arranged where eminent speakers from Industry having years of experience will be guiding the students. This workshop will help students to select their career goals. Students will also learn about resources while considering career options. The Session will focus on advice towards the current market status and current job opportunities which help them to understand its importance in their career.

**ii) Employability Skills training** In order to build workforce readiness and to impart employability skill training in youth the training will be addressing key areas of improvement in order to excel in employment.

The training session will impart knowledge and the experiential learning will be focusing on the various aspects of Employment, career progression, self awareness & self management, professionalism and Interview & professional grooming.

**iii) NSDC Course Certificate**

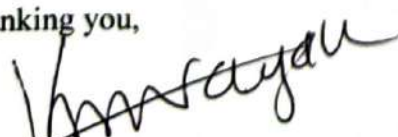

All the female candidate above age 18+ will be enrolled on the Learning Management System through which she will be able to receive additional certification provided by National Skill Development Council (NSDC)

College is required to inform us of the date for the workshop which will be for 10 hours per batch of students.

Colleges hosting the workshop will be awarded a Certificate of Facilitator for the support extended and the student registering will be awarded with the Certificate of Participation through UM-GICED and AIF. All the female candidates enrolled will receive additional certification provided by NSDC.

You are requested to share the details of the HOD of various departments so that dates for the workshop can be organized. You are requested to encourage the students to register and participate as this extension activity is **Free of Cost** and will be extremely beneficial for the students of your college/ institute.

Thanking you,
