Report on Visit to Nature's Park

October 20,2022

On 19th October 2022 18 students of SYBMS along with their class mentor visited Mahim Nature's Park.

The objective of the Visit is give knowledge about Environment and its importance. Students had explored different kinds of spices and Ayurveda trees. The butterfly garden imparted knowledge on various diversities of them beautifully. The Nakshtra trees are the highlight of this visit. Every Nakshtra trees are labelled with name and their rashis. The nature's trail was so refreshing.

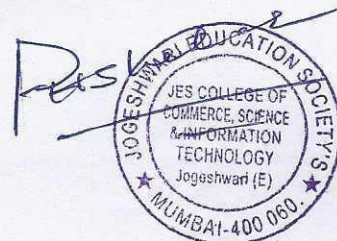

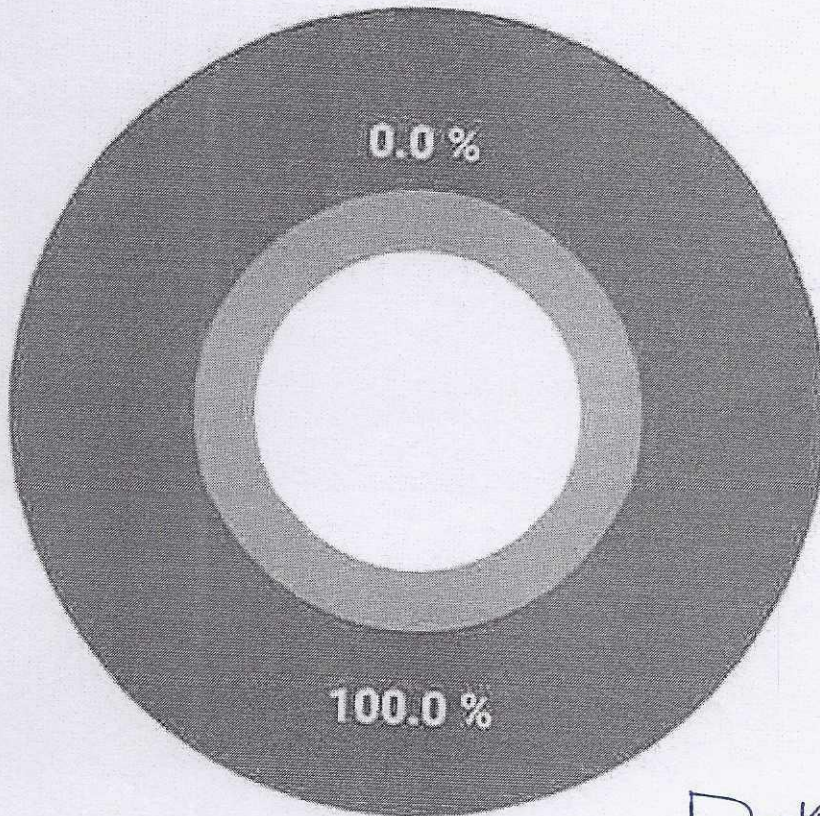

Finally, we left the park 2:00pm with environmental knowledge and happy memories.

Do you liked the place of visit?
