Report On Vermi Compost Awareness Program

July 21 ,2022

On 21st July 2022 Nature's Club organised an awareness program on making vermicompost, in Block No.218 at 11:00 a.m,

The objective of the program is to give knowledge of making vermicompost. The program started with question answer session with students on need and importance of natural fertiliser. The entire process of making vermicompost was presented by Prof. Vaishali Trivedi on PPT.

The session was attended by 42 students along with faculty members and IQAC members. With the question answer session was concluded.

Report on guest lecture on Waste Management

September 17,2022

On 16th September,2022 Nature's Club Organised guest lecture on waste Management in coordination with Janani Foundation in Block No.218 at 11:30 am.

The objective of the lecture is to give knowledge of meaning of waste and its management in best way. The main motto is to impart concept of ZERO WASTE in younger generation. Mrs. Bhagyashree Chemburkar from Janani Foundation was speaker. She had nicely demonstrated and explained the bifurcation of dry and wet waste. Different products made from waste by her was also shown to students.

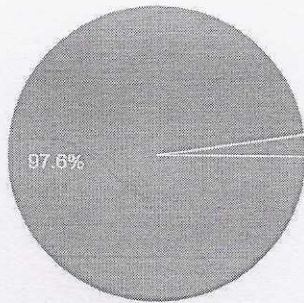

Other four team members from Janani Foundation has given some important environmental terms to students. The lecture was attended by 108 students. With question answer session the lecture was concluded.

Report on Organic Fertilizer Making Programme

August 14,2022

On 13th August,2022 Nature's Club Organised Organic Fertiliser making Programme in JES college campus at 12:30 am.

The objective of the Programme is to give practical experience to students with their active participation. Prof. Ajay from Junior college science section had given guidance to students for making organic fertilizer. Two cleaning staff had also helped the team to complete the process. With organic matter from college campus students had started preparing organic fertiliser.

The motto of the activity is to impart knowledge and do waste management.

With question answer session was concluded.
