### Activity Report

Association / Department / Cell:	Nature's club.
Event / Theme of event:	Organic fertiliser making
Event Committee In-charge:	Mrs. Vaishali Trivedi
Spokesperson / Collaborative agency:	Prof. Ajay Yadav (science section)
Date / Time:	13/08/22 at 12:30
Venue / Platform:	JES Campus
Objective:	<ul style="list-style-type: none"><li>• To impart <del>imp</del> knowledge of advantages of organic fertiliser</li><li>• To learn the process of making</li><li>•</li></ul>
Outcome:	<ul style="list-style-type: none"><li>• Interactive participation of students in making organic fertiliser in campus itself.</li><li>• To manage the waste of campus.</li></ul>
Target Audience:	FY and 3Y students
No. of Beneficiaries:	25
Feedback:	<ul style="list-style-type: none"><li>• Activity was informative</li><li>• They liked the activity</li><li>• Instructor's teaching was good</li></ul>

## Report on Organic Fertilizer Making Programme

August 14,2022

On 13<sup>th</sup> August,2022 Nature's Club Organised Organic Fertiliser making Programme in JES college campus at 12:30 am.

The objective of the Programme is to give practical experience to students with their active participation. Prof. Ajay from Junior college science section had given guidance to students for making organic fertilizer. Two cleaning staff had also helped the team to complete the process. With organic matter from college campus students had started preparing organic fertiliser.

The motto of the activity is to impart knowledge and do waste management.

With question answer session was concluded.
