## Report on Awareness programme on Wet land

1<sup>st</sup> March 2023

On 28<sup>th</sup> February 2023 Nature's Club has organised awareness programme on wet land for JES students. Student of FYBCOM A division with Prof Vaishali Trivedi had taken initiative to spread awareness on importance of wetland. Thirty-eight students had attended the programme.

The knowledge about importance of wet land was given through the medium of Power Point presentation by Prof. Vaishali Trivedi. Students were very eager to gather the information on such unique topic.

Many of the students were having zero knowledge on this topic. After attending the programme, they even interacted with Prof Vaishali Trivedi through question answer session.

At the end of the session students had taken oath to protect Wet land for sustainable environment.

A handwritten signature in blue ink, appearing to read "P. S. Helar", written over a horizontal line.
