## Report on photography competition on extinct species

17<sup>th</sup> March 2023

On 16<sup>th</sup> March 2023 Nature's Club organised photography competition on extinct species. Eighteen students had participated.

Food web and food chain are very important aspect for biological sphere on the earth. Extinction of one species is going to disturb the whole food web. The objective of the competition is to create awareness amongst the youth about extinct species by involving them in these types of activities. The motto was served with vigorous search by students resulted in lot of information and photographs gathering by participants.

The event was judged by Prof.Rachana Shetye. The judgement criterias are relevancy to topic, picture quality and uniqueness.
