Report of Intellectual Property Rights Session 17.03.2023

Date: - 17th March 2023

Place: - JES College of Commerce Science & I.T., Jogeshwari East, Mumbai

To enhance the research quality, Research Cell of JES College of Commerce Science & Information Technology organised a session on Intellectual Property Rights on 17th March 2023. Dr. Hema Mehta, Prof. Tolani College, was the guest speaker for the session. Mr. Chitrarth Kate, Coordinator Research Cell started the program proceedings by introducing a speaker of the program. Principal Dr Prashant H Shelar gave a welcome address to all participants of the session.

Dr. Hema Mehta expertly navigated through the agenda, sharing her extensive knowledge and experience in the field of Intellectual Property Rights. The session fostered an interactive learning environment, allowing participants to ask questions and engage in meaningful discussions.

Key highlights of the session include:

- Clear explanations of complex concepts related to IPR, ensuring participants gained a solid foundation of knowledge.
- Case studies from various industries, illustrating real-world applications of intellectual property protection.
- Insights into recent developments in the field, including emerging challenges and debates.
- Practical advice and guidance on how individuals can protect their intellectual property rights.

The session emphasized the crucial role that IPR plays in fostering innovation, economic growth, and the protection of creative and inventive works.

The knowledge and insights gained from this session will undoubtedly benefit participants in their respective fields, empowering them to make informed decisions regarding the protection and management of intellectual property.

Overall, the IPR session conducted by Dr. Hema Mehta successfully fulfilled its objectives and served as a platform for knowledge-sharing and awareness-building in the realm of Intellectual Property Rights.
