Report on Awareness programme on electricity conservation

3rd March 2023

On 2nd March 2023 Nature's Club organised awareness programme on electricity conservation in nearby areas of JES campus. Students of SYBCOM A division with Prof Vaishali Trivedi had taken initiative to spread awareness on conservation of electricity.

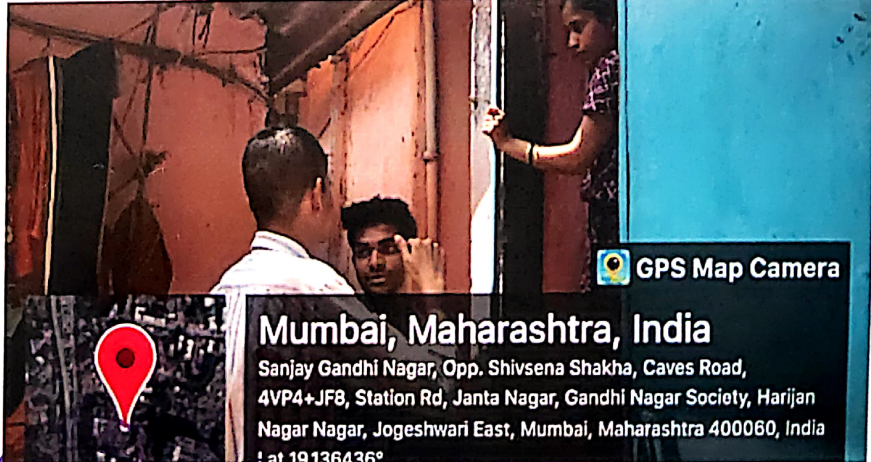

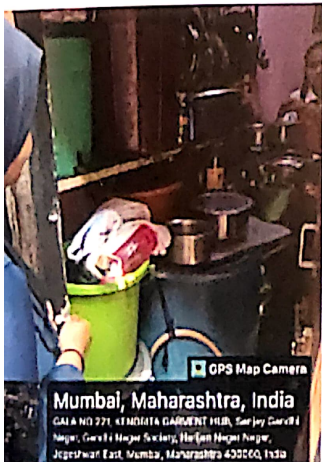

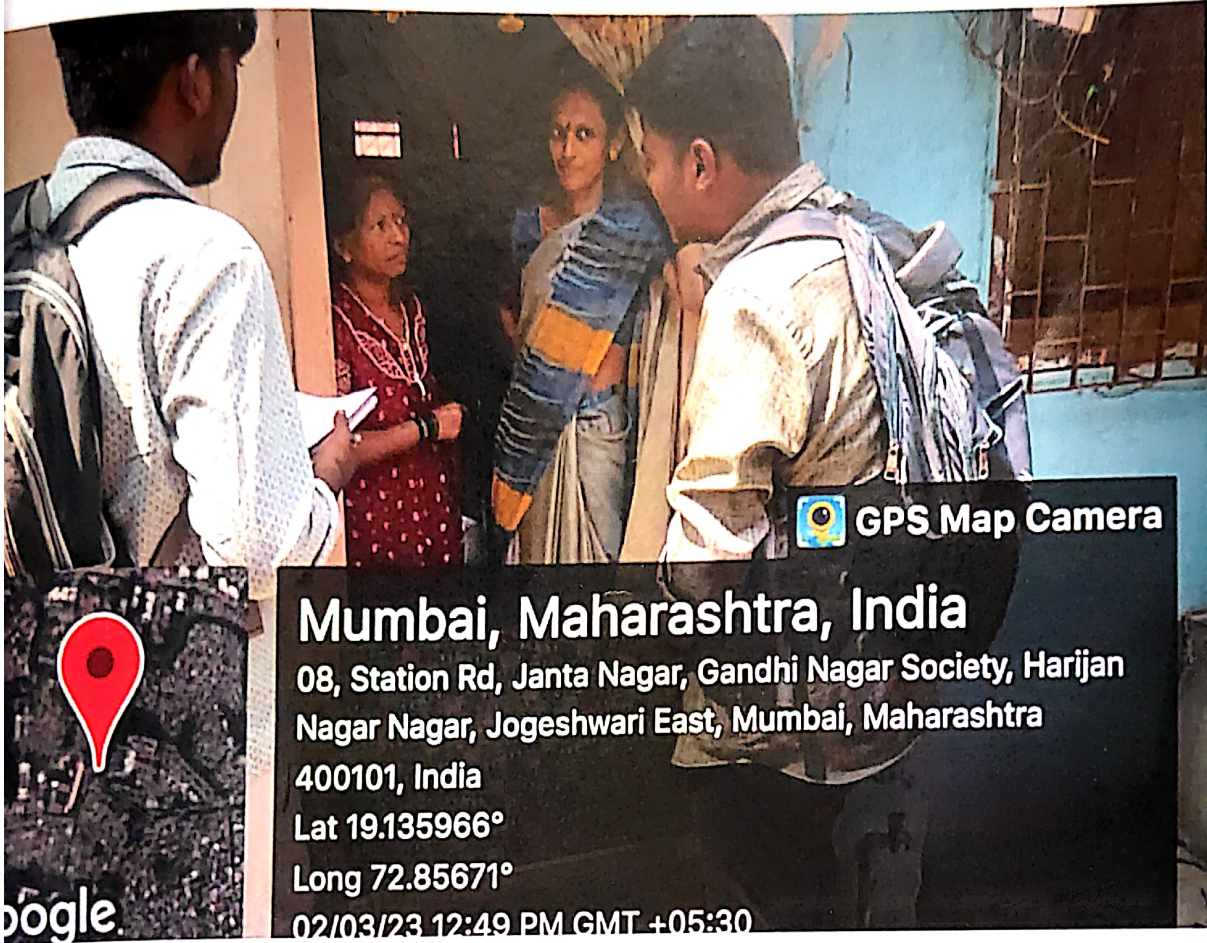

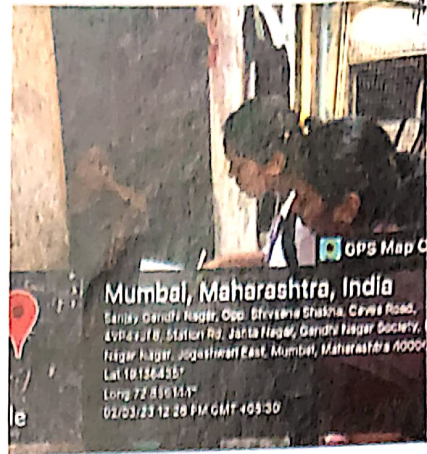

Students of JES had visited Rajiv Gandhi area and illustrated different ways and habits to people for conserving electricity, which is going to help people to save electricity and lessen the burden on their pockets to by paying less electricity charges. Advantages of some habits which is going to save environment and money too was accepted by people happily. They assured to help us to conserve environment and electricity.

Finally, we left the area at 1:45 pm with satisfaction of giving helping hands to society for saving electricity.
