Report on Awareness programme on water conservation

3rd March 2023

On 2nd March 2023 Nature's Club organised awareness programme on water conservation in nearby areas of JES campus. Students of SYBCOM A division with Prof Vaishali Trivedi had taken initiative to spread awareness on conservation of electricity.

Students of JES had visited Rajiv Gandhi area and illustrated different ways and habits to people for conserving water, which is going to help people to save electricity and lessen the burden on their pockets to by paying less electricity charges. Advantages of some habits which is going to save environment was accepted by people happily. They assured to help us to conserve environment and water.

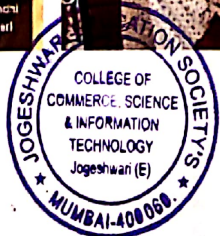

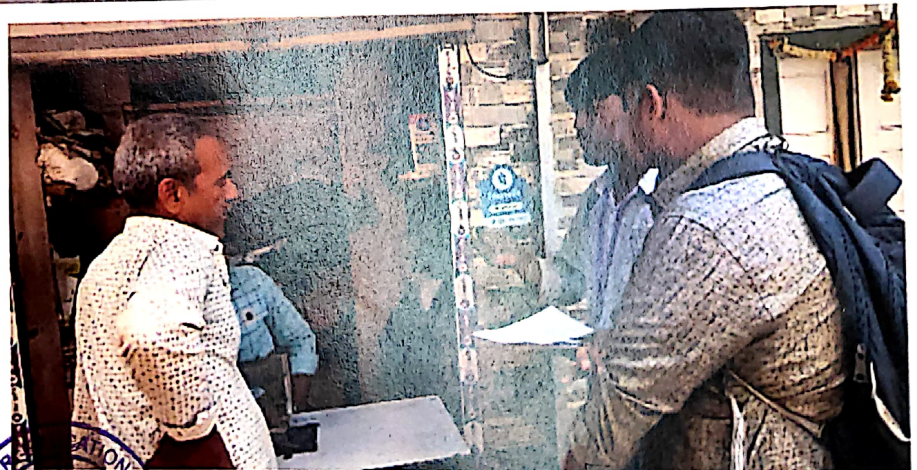

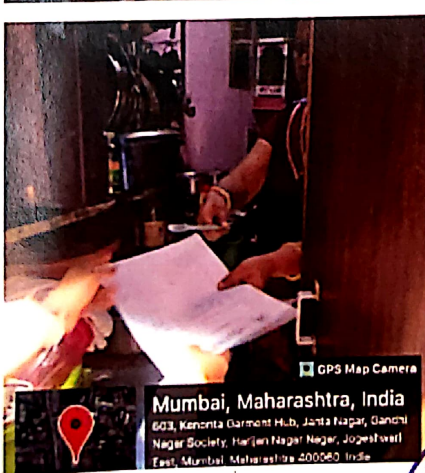

Finally, we left the area at 1:45 with satisfaction of giving helping hands to society for saving water and working towards sustainable development.
