Subject: Complaint about poor canteen food and
Cleanliness.

Respected Sir,

Respectfully, on behalf of students, I want to draw your attention regarding poor quality of the food we are getting from the canteen nowadays.

The food is extremely oily and most of the time stinks, which is very unhygienic and makes it difficult for consumption. Moreover, it is never prepared on time which eventually disrupts the college lecture.

I request you to please take care or change the tender of the canteen. This will not only change the quality of the food but also regulate the hygiene issues. Healthy student will perform better.

Your Sincerely
R. Gurav

Subject : Increase the space in library

Respected sir,

We, the student of TYBMS would like to draw your attention on a concerning topic of our problem faced by us students. There is no space in our library to sit and study.

We don't get enough space to read or study. During exam time the library is fully crowded. There are some students who don't get enough time at home or from work, they need the library more than anyone.

I hope you will look after this matter as soon as possible and take needful actions

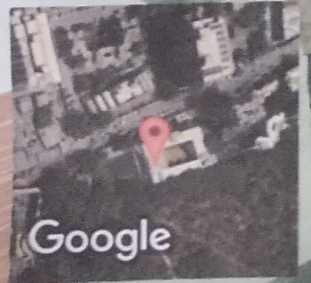

Yours faithfully,
TYBMS

Re:-

Subject:- Complaint regarding the poor condition of
college toilet

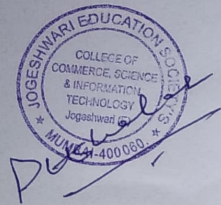

Respected sir,

Respectfully, on behalf of students, I of class FYBMS,
I Sahil Vinod Desai want to draw your attention
regarding the condition of the toilets in college.

We would like to bring in your concern the stinky
Boys toilets of the 2nd floor. The conditions of
the toilets are very pathetic and unbecomable. There is a
constant pungent smell, which is noticeable in the
whole near corridor. There are taps leaking. Moreover,
most of the flushes are not working properly. All these
issues add up to a serious concern of an unhygienic
environment and need some firm measures implemented
at the earliest.

We request you to kindly have a look at the scenario and arrange for an immediate solution

Your sincerely
Sahil Vinod Desai
