REPORT OF TRAINING SESSIONS ORGANISED FOR TEACHERS (22nd – 24th November 2023)

22nd November 2023:

Topic: How to Write a Research Paper – Tips for Beginners

Speaker: Dr. Varsha Mallah

Dr. Varsha Mallah is working as Associate Professor & Head Dept of Commerce Bhavan's College Chowpatty. She has 17 years of UG and 10 years of PG experience and is a Ph.D Guide.

She in her flow of presentation covered a) Stages of Writing a Research Paper b) Contents of Research Paper and c) Style/format. A research paper was referred to as an expanded essay. Different tips given for choosing one's topic were – Guidelines, Relevance, Available Literature, Interest/Liking, Uniqueness/Originality and Consultation. Researching different sources of information in detail was explained. Different contents of a research paper which includes – Introduction, Objectives of the study, Review of Literature and Research Methodology were explained at length. This was followed by explaining the concept of a sample and sample frame and how the formatting of a research paper must be done was also mentioned.

She concluded her presentation by giving examples of simple research papers with which she had made a beginning of her career.

23rd November 2023:

Topic: An Introduction to Best Educational Quality Enhancement (BEQET) Award.

Speaker: Mr. Santosh Khadagade – President, National Centre for Quality Management , Mumbai.

A mechanical engineer who did his PG in management from Jamnalal Bajaj Institute of Mgt Studies and a certification in statistical quality control from Indian Statistical Institute, Chennai and is at present working as President of National Centre for Quality Management and also Chairman of its Program Committee.

NCQM was set in 1985 and the message is to how to solve different problems by following a proper quality methodology. Step 1 is to find Improvement Area Identification. The other steps are data collection and analysis. Mr. Santosh in detail explained Moving Average Method and Pareto Analysis. Before listing solutions, it is necessary to find the root cause of a problem which is done with help of Fish Bone Diagram. A Brainstorming session needs to be conducted.

He concluded his session by showing different problems which were presented by different colleges for solution and different strategies which were followed.
