DATE: 26TH JUNE 2024

The National Service Scheme (NSS) recently organized a tree plantation drive in collaboration with several colleges, aiming to promote environmental sustainability and community engagement. This initiative brought together students from various educational institutions under a unified goal of ecological conservation.

The primary objective of the tree plantation drive was to contribute to environmental conservation by planting trees in designated areas. Additionally, the event aimed to raise awareness among students about the importance of preserving green spaces and mitigating climate change.

MALE: 6 FEMALE: 5

DATE: 12TH JANUARY 2025

On 12th JANUARY 2024, NSS volunteers from JES College staged a street play to promote energy conservation. The play focused on the significance of reducing energy consumption and the consequences of its overuse. Through lively skits and impactful dialogues, the volunteers successfully delivered the message of mindful energy usage, encouraging the community to embrace sustainable habits. The performance was met with positive response, as both participants and onlookers joined in discussions on practical ways to conserve energy in their everyday lives.
