**ACADEMIC YEAR 2024-2025**

**ALUMNI FEEDBACK ON AMBIENCE AND ACADEMICS**

**From all the streams, The feedback on ambience and academics was collected from 66 students. The analysis revealed the following:**

- A significant majority, 50 percent of alumni rated the schedule and timetable as excellent, with an additional around 40 percent rating it as very good. The results of the findings suggest that the scheduling practices effectively meet the needs of a large portion of the student body.
- Feedback regarding the helpfulness of teaching staff, administrative staff and the attitude of non-teaching staff is highly positive. This positive response works as a motivator for the college to continually strive for improvement.
- An analysis of student perceptions revealed a high level of satisfaction with college facilities, particularly regarding computer labs, internet connectivity, and drinking water facilities.
- An analysis of alumni feedback indicates a high level of satisfaction with the College's extracurricular offerings, including the national service scheme (NSS) activities, sport facilities and cultural programs. This positive response suggest that these activities contribute to students personal growth beyond academics.
- Between 2 to 8 percent of the students were dissatisfied towards the cleanliness and infrastructure of classrooms, toilets, library and computer facilities, alumni expect that the college should provide more better placement opportunities and should plan some more creative interesting cultural and extra-curricular activities
- Around 14 percent of alumni were not satisfied with the internet facilities of the college
- Overall a significant majority of alumni reported benefiting from the College Placement Cell services and they were satisfied with the grievances being handled in the institute.
