## **B.COM PROGRAMME**

### **Annual Report for Academic Year (2024-2025)**

#### **Faculty Members:**

Mr. Hyder Khan

Ms. Pragati Yerunkar

Dr. Iqbal Baig

The B. Com Programme has successfully implemented a comprehensive range of academic and skill-building initiatives this year to foster holistic student development.

The academic year commenced with an **Orientation Programme for FYB.Com Students**, introducing newcomers to the curriculum structure, institutional resources and academic expectations. This was reinforced by our **Bridge Course** designed to strengthen fundamental concepts in core commerce subjects and facilitate a smooth transition to university-level studies.

We maintained strong parent-institution collaboration through our **Parent-Teacher Meeting** providing a platform to discuss student progress and developmental strategies. In our continued commitment to employability enhancement, we conducted a specialized **Skill Development Orientation Programme** in collaboration with Anudeep Foundation focusing on essential industry-relevant competencies.

A highlight of this year was our **Guidance Lecture Series on Female Financial Literacy** which empowered women students with practical knowledge for financial independence and long-term wealth management. These initiatives were complemented by our regular **Teaching-Learning Activities**, incorporating innovative pedagogical approaches like participative, experiential and problem-solving learning which is sub divided into case-based learning, presentations and interactive workshops to deepen conceptual understanding.

Through these multifaceted programs, the B. Com Programme has effectively prepared students for both academic excellence and professional success, while promoting financial awareness and gender empowerment.
