The Department of Lifelong Learning and Extension (DLLE) conducted a wide range of enriching and socially impactful activities throughout the academic year, focusing on student development, social awareness, and community engagement.

The year commenced with a Blackboard Decoration Competition on The Independence Day, where students creatively expressed themes of patriotism, freedom, and national pride. The department encouraged organizational and collaborative skills through hands-on sessions in Event Management, equipping students with practical knowledge and confidence.

To foster civic awareness, students participated in the Voter ID Registration Camp assisting in promoting the importance of voting among first-time voters. The Book Review organized on Competition, nurtured reading culture, analytical thinking, and expression among participants. Artistic talents flourished through the Warli and Mandala Art Painting Competition, reflecting the beauty of traditional and contemporary Indian art.

A Youth Leadership and Career Development Program was organized in the month of January 2025, to prepare students for future challenges by developing leadership qualities and career readiness. In celebration of linguistic heritage, students performed Powada Singing during Marathi Bhasha Divas, preserving and honoring regional culture.

Our students won 3rd place in the Powada Singing Competition at Mumbai University DLLE's annual FEST UDAAN which has held on 1<sup>st</sup> Feb, 2025, showcasing exceptional talent, cultural pride, and enthusiastic team participation.

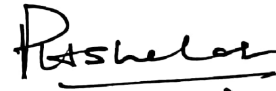

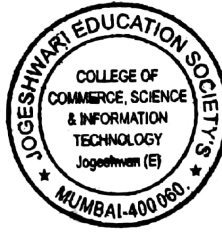

The Food Mela conducted on 27<sup>th</sup> Feb, 2025 brought out creativity, culinary skills, and entrepreneurship, besides promoting teamwork and fundraising for social causes. A heartfelt Old Stationery Collection and Distribution Drive was carried out in, where students collected and donated useful supplies to underprivileged street children, promoting sustainability and kindness.

Importantly, the department took a strong step towards child safety through an awareness session on Good Touch and Bad Touch, sensitizing street children about personal safety in a caring and age-appropriate manner.

Overall, the DLLE successfully blended academic, cultural, and social dimensions of learning, empowering students to become responsible, skilled, and compassionate citizens. The department remains committed to lifelong learning and community service in the years to come.
