Established on October 12, 2022, the JES - Electoral Literacy Club strives to empower college students about their voting rights and the democratic process. The Club encourage them to participate in creating electoral awareness and activities in the society relating to constitutional rights of voting. The club advocates for responsible, ethical voting and strives to cultivate informed and engaged future voters.

Highlights of Activities:

❖ **Students' involvement at voting centres for Maharashtra Assembly elections:**

College students were mobilized by the State Election Commission (SEC) to serve as polling day volunteers at 158-Jogeshwari East Constituency and 165-Andheri West Constituency. Students' involvement included assisting election officials with non-sensitive logistical tasks, guiding voters especially the senior citizens and divyang (differently-abled) to designated areas, and helping manage queues to ensure smooth crowd movement.

❖ **Celebration of Constitution Day:** The program commenced with a collective reading of the Preamble to the Constitution. Both, staff and students took part in this meaningful activity, reaffirming their dedication to the core values and principles

enshrined in the Indian Constitution. A quiz competition centered on the Constitution was conducted, fostering enthusiastic participation. The event aimed to deepen students' understanding of their constitutional rights and responsibilities while promoting civic awareness.

- ❖ **Celebration of Voters Day:** The event commenced with the administration of the Voters' Pledge. Teaching and non-teaching staff solemnly pledged to uphold the democratic values of the nation and to exercise their right to vote in every election freely, fairly, and without influence from any external factors.

Capturing a year of meaningful activities, the dynamic efforts and strong sense of civic duty were upheld by members of the Electoral Literacy Club along with the students.
