JOGESHWARI EDUCATION SOCIETY'S

COLLEGE OF COMMERCE SCIENCE & INFORMATION TECNOLOGY
(AFFILIATED TO UNIVERSITY OF MUMBAI)
ACCREDITED BY NAAC WITH 'B' GRADE

PROSPECTUS
2025-2026

शीलम् परम् भूषणम्

CONTENT

Almost 90 years back at a small residence in Saraswati Baug, a primary school (Marathi medium), aided by the BMC, the secondary school (Marathi medium & Semi – English medium) aided by the Government of Maharashtra, popularly known as 'Arvind Gandbhir High School' were started.

In due course of time JES English School, JES Jr College in 2008 – 2009 and JES degree College of Commerce Science and IT got established in 2009-2010, has walked a long way and established itself despite standing next to a giant college Ismail Yusuf. The college started with B.Com (Regular) and BSc IT in a humble way. B.Com was expanded with two divisions later.

B.Com (Management Studies) was also started in 2009, gained popularity which offers both finance and marketing specializations. B.Com (Accountancy & Finance) yet, another self-finance Programme was started in 2016 and proved to be quite popular in the vicinity.

With 2 divisions of B.Com and a division each of B.Sc.IT, BMS and BAF, JES is fast competing with other institutions with genuineness.

Students have always been the first priority and the Management, the Principal and the faculty constantly put in efforts to promote the best for the learners.

The college has a gigantic objective to develop the holistic development of its learners hence NSS, DLLE, Sports, cultural, WDC, library, magazine, students council committees functions meticulously. Events under all these committees, 7 day NSS camp, competitions, Programmes like Investiture, Fare Well as per the university norms, all our inter collegiate fest PARIVARTAN which has been a thumping success since its commencement - are conducted systematically to reach its goal.

JES expansion which would be a reality in a short time proves its sincerity to realise its dream.

Vision

To channelize young minds not only towards academic goals but also towards their social responsibilities, to provide ample opportunities to nurture and sustain creative talents and multiple intelligences for the service to humanity at large.

Mission

To promote academic excellence & create humane, self-reliant citizens to meet the local and global challenges of the society.

Values

Inculcating value system among students.
Quest for Excellence.
Fostering Global Competencies among students.
Environmental sensitivity.
Humaneness in all dealings.

Quality Policy

We aspire to be an institution having ethics in designing and delivering education, entrepreneurial approach, research and development in an ever changing world of business by adopting innovative pedagogy. At JES, we assess and address risks and opportunities that impact in achieving the strategic direction of JES. We will give prominence to the best teaching, learning processes. In our pursuit of excellence, we will follow:

- Ethical Policies
- Transparency
- High Quality Standard
- Risk Based Thinking
- Continuous Improvement

Objectives

- To ensure a high standard of education.
- To enrich the students' personality by encouraging their participation in curricular and extracurricular activities. To promote sports culture.
- To provide learning opportunities that are flexible and support alternative learning styles.
- To promote positive ways of social interaction, self-confidence enabling to exchange ideas and opinions with others.
- To cultivate organizational skills through teamwork, collaboration and co-operation.
- To provide supportive skills in dealing with academic and emotional problems of students.
- To nurture the thirst for knowledge and skills in the latest innovations and technologies in education.
- To sensitize the students towards the threatening environmental issues.
- To inspire students to meet the challenges of dynamic society and to fulfill their role as nation builders.

COLLEGE PROFILE

JES College of Commerce, Science & Information Technology managed by Jogeshwari Education Society was established in the year 2009 - 10 with B. Com, BMS and BSc.IT Programmes. In 2016 – 17, JES expanded by starting BAF course with an enormous response from the student community, with its Vision "To channelize young minds not only towards academic goals but also towards their social responsibilities." The main idea of introducing various degree courses is to provide an opportunity to the local community which is financially and academically weak and create awareness about shaping their future by educating themselves with courses of their interest and caliber.

We have an ever enthusiastic and dynamic Management with personalities from different backgrounds which has been constantly striving to provide quality education to the needy by providing qualitative and holistic education.

Our faculty are well qualified and backed up with experience and always try to help students to excel both academically and individually. The Campus is located very close to Jogeshwari station, at Caves Road, Jogeshwari (East), Mumbai- 400060. We offer excellent infrastructural facilities with competent and dedicated faculty which strives for the overall development of the students. It's an amalgamation of different cultures. It gives you familiar vibes where everyone is supportive and co- operative. We excel in curricular as well as co-curricular activities and strike a perfect balance.

The College prepares the students for careers in different sectors and for self-employment and paves a path for enthusiastic students to go for higher studies. The campus is well equipped with Wi-Fi facility. Our CCTV surveillance ensures safety of students within the campus.

PROUD FACULTY AND STAFF

1.	Dr Prashant H Shelar	Ph. D., M. Com., M.A. (English), M Phil., E-MBA, PGDBM., PGDCC
2.	Ms. S. Radhika Rao	M.A. (English Literature), DHE
3.	Dr. Jigna Sadhu	Ph. D., M. Com, MBA (Finance)
4.	Ms. Rachna Shetye	M. Com, MBA (HR)
5.	Ms. Pragati Yerunkar	M. Com, PGDFM, GDCA
6.	Dr. Prachi Shah	Ph. D., M. Com, PGDFM (Finance)
7.	Ms. Anjali Gaikwad	MCA, MH – SET, Diploma in Cyber Law
8.	Dr. Tejaswini Parab	Ph. D., M.Sc. (IT)
9.	Dr. Archana Dhawade	Ph. D., MCA
10.	Dr. Iqbal Baig	Ph. D., M. Com, B. Ed, PGDFM (Finance)
11.	Mr. Hyder Khan	M.A. (Economics), M.Sc (Mathematics), PGDHRM, PGDORM, Pursuing Ph. D.
12.	Dr. Vaishali Trivedi	Ph. D., M. Com, MBA (HR), PGDFM
13.	Mr. Vikram Desai	M.Com, M.A. (Economics), GNIIT
14.	Mr. Hyacin Thomas	M.Com, M.A (Economics).
15.	Mr. Harsh Chouhan	M.Sc. (Mathematics), B.E (Mechanical)
16.	Ms. Pinky Kumhar	B.Sc. (IT), M.Sc. (IT)
17.	Mr. Nagendra Kangralkar	M.Com, PGDFM, GDC&A, NISM, B.Ed.
18.	Mr. Rishabh Mishra	M. Com, B. Ed
19.	Mr. Tanmay Gulekar	M. Com (Advanced Accountancy)
20.	Ms. Manisha Shinde (Librarian)	M.A. (Marathi), B.A, B. Lib., M. Lib, D. Ed.

Admin Staff

21.	Ms. Jasmine Jadhav (Head Clerk)	B. Com
22.	Mr. Amar Shinde (Jr. Clerk)	B. Com

INTRODUCTION TO NEP

The National Education Policy 2020 (NEP 2020) is a comprehensive framework for the transformation of the education system in India. It was introduced by the Government of India in July 2020 and aims to bring about significant reforms in the country's educational landscape. The NEP 2020 is the first major education policy in India in over three decades, replacing the previous policy which was formulated in 1986. It seeks to address the evolving needs of 21st century learners and align the education system with global standards. The National Education Policy 2020 (NEP 2020) introduces significant reforms in the higher education sector in India. It aims to transform the higher education landscape by addressing various aspects such as curriculum, pedagogy, governance, and research.

Highlights of NEP–2020:

1. **Multidisciplinary Approach:** NEP 2020 emphasizes a multidisciplinary approach in higher education, allowing students to choose subjects from different disciplines and promoting the integration of arts, humanities, sciences, and professional courses. It aims to break the rigid boundaries between different fields of study and encourage cross- disciplinary learning.

2. **Flexible Undergraduate Programs:** The policy introduces flexible undergraduate programs, allowing students to choose a major and minor subject combination or to pursue a multidisciplinary approach with a wide range of subjects. This flexibility enables students to customize their education based on their interests and career goals.

3. **Holistic Learning and Skill Development:** NEP 2020 emphasizes holistic learning and the development of critical thinking, creativity, communication skills and ethical values among students. It focuses on promoting experiential learning, vocational education and internships to bridge the gap between theoretical knowledge and practical skills.

4. **Research and Innovation:** The policy lays emphasis on promoting research and innovation in higher education institutions. It encourages the establishment of research parks, incubation centers and collaboration with industries and research organizations to foster a culture of innovation and entrepreneurship. NEP 2020 also emphasizes the integration of research into undergraduate education.

5. **Accreditation and Quality Assurance:** The policy emphasizes the need for a robust accreditation and quality assurance system in higher education. It aims to establish an independent and autonomous accreditation authority to ensure the maintenance of high-quality standards in higher education institutions.

6. **Technology Integration:** NEP 2020 recognizes the importance of technology in higher education and encourages the integration of technology-enabled learning methods. It promotes the use of online resources, digital libraries, and e-learning platforms to enhance access to education and improve the quality of teaching and learning.

7. **Governance and Regulation:** NEP 2020 proposes the establishment of a single, overarching higher education regulatory authority called the Higher Education Commission of India (HECI). HECI will replace existing regulatory bodies and ensure a more streamlined and transparent regulatory framework for higher education institutions.

The National Education Policy 2020 in higher education envisions a transformation in the quality, relevance, and accessibility of higher education in India. It aims to equip students with the necessary skills and knowledge to excel in a rapidly changing global landscape and contribute effectively to society and the economy.

VERTICALS OF NEP-2020

During a graduation tenure, a learner will have to learn various categories of subjects like major subject courses, elective subject courses, minor subject-related courses, generic or Open Electives (OE), Vocational Skill Courses (VSC), Skill Enhancement Courses (SEC), Ability Enhancement Courses (AEC), Value Education Courses (VEC), Indian Knowledge System (IKS), On the Job Training (OJT), Field Projects (FP), Community Engagement Program (CEP), Co-Curricular courses (CC), Research Projects (RP).

1. **Major subject** is a subject of specialization in which a learner gets the degree. Each major subject will have a number of courses.

2. **Elective courses** are related to the major subject offered in the third year of graduation. They are called electives because a learner gets to choose the course from a list of offered courses.

3. **Minor subject** is one which compliments the learning of a major subject. In the second semester, a learner has to choose the minor subject from the list of major-minor combinations offered by college.

4. **Generic or Open Electives (OEs)** Each faculty will be offering a basket (list of) courses for OE. A learner has to choose OE courses from other faculty.

5. **Vocational Skill Courses (VSC)** are offered by each major subject. The objective of learning VSC is to enable learners to develop job or business-oriented skills related to major subjects.

6. **Skill Enhancement Courses (SEC**) are general in nature. The SEC enhances the employability of the learner by enhancing their job-related skills like presentation skills, use of advanced level of software etc. A learner has to choose SEC from the basket (list of) courses offered by the college.

7. **Ability Enhancement Courses (AEC**) offers a basket related to language, Literature Environmental Science and Sustainable Development.

8. **Value Education Courses (VEC)** encompasses courses related to personality building, embedding ethical, cultural and constitutional values, promoting critical thinking and scientific temperament etc. A learner has to choose VEC from the basket of VEC offered by the college.

9. **Indian Knowledge System (IKS)** the objective of having IKS courses is to give information regarding the contribution made by Indians in the various fields as a result, a learner would get inspiration from it. A learner has to learn a general IKS in the first semester and a major subject- specific IKS in the fifth semester.

10. **On-Job Training (OJT)** involves internship and apprenticeship related to the major subject. The objective of having OJT is to link the subject-based learning with skill requirements in the industry. The best possible way to achieve this is to expose learners to the actual field of work by offering them an internship and apprenticeship. Each major subject offers OJT courses in the third year of graduation.

11. **Field Projects (FP) and Community Engagement Program (CEP)** courses are offered by each major subject and their objective is to field based learning, rural-urban settings, socio-economic context of the subject etc.

12. **Co-curricular Courses (CC)** such as Sports, Culture, NSS and DLLE. A learner may enroll for these courses and avail the credits.

PROGRAMMES OFFERED

Bachelor of Commerce (B. Com)
Bachelor of Commerce (Accounting & Finance) (B. Com A & F)
Bachelor of Commerce (Management Studies) (B. Com M S)
Bachelor of Science (BSc IT)

0.119 : Attendance :

The following shall be the minimum attendance necessary for keeping terms.

Faculty of Com. / Sci.: Three-Fourths of the number of days on which lectures are delivered in each term.

(N.B.: A day's attendance means attendance at all the lectures, tutorials, seminars and practical's according to the regular class time-table for the day.)

0.125: To keep terms, an undergraduate must complete, to the satisfaction of the Principal, the course of study at the college prescribed for such terms for the class to which undergraduate then belongs.

Students who fail to satisfy the conditions laid down by 0.119 and 0.125 will not be permitted to appear at the examinations.

DISCIPLINARY RULES AND REGULATION

Students joining the College must strictly abide by the Rules and Regulations of the College.

1. Every student must wear the Identity Card with his / her Photograph attested and basic personal information with Blood Group if he / she is in the college premises.
2. If any student found guilty in any incident of ragging, strict disciplinary action against him / her will be initiated by the concerned Authorities.
3. The student must not loiter in the College Premises while the classes are going on.
4. Smoking & Consumption of alcohol in the College Premises or entering the College after consuming alcoholic drinks is strictly prohibited.
5. No student shall collect any money or contribution for Picnic, Trips, Educational Visits to any Place, Get-together, Study Notes, charity or any other activity without prior permission of the Principal.
6. Students are expected to take proper care of the college property and help the College Authorities in keeping the premises clean. Damaging college property (like furniture & fittings / misuse of AC, etc.) is a breach of discipline and the guilty will be duly punished.
7. Students should not leave their books, valuables and other belongings in the classroom.
8. It is the responsibility of the student to read the Notice Boards regularly from important announcements made by the College Office from time to time.
9. Use of Mobile Phones and hand devices are not allowed in the class. The device shall be confiscated in case of any student is found guilty. In case any faculty uses it as mode of teaching, it is allowed.
10. Students using unfair means of examination will not be readmitted to the College. Action will be initiated against such students as per the norms and procedure prescribed by the University of Mumbai.

INFRASTRUCTURE / FACILITIES

CLASSROOMS

The College has Classrooms with seating capacity for 120, 90 and 50 students. The rooms have podia, fans, big black boards, passage and are well ventilated.

LIBRARY

The College Library gives access to Textbooks, Reference Books, Journals, Periodicals and Newspapers on various subjects for the Staff and students for updating their knowledge regularly. The library has Book Bank scheme where students from the weaker sections of the society are provided with set of books for the entire year against deposits. Besides books on various subjects, the library has computers with Internet facility accessible to the students and staff for academic enhancement.

IT LAB

In today's world, Information Technology, Communication and Network have become core and inevitable components for everyone. The College Computer lab is equipped with many latest computers with modern software's and Internet access. Students use the IT Lab as a resource for searching study material for in-depth knowledge, perform developmental experiments and work on projects guided by Faculty.

SPORTS / GYMKHANA

The College has a Gymkhana room for Indoor games such as Carrom, Chess, etc. and has a wonderful TURF for Football, Basketball and Net for Cricket. All students have access to turf to enjoy games. Multipurpose ground is used to play games like Kabaddi, Kho-Kho, Tug of War, etc. at the time of intercollegiate fest.

AUDITORIUM

The College Auditorium is quite spacious with capacity of 200 persons and well ventilated. The Auditorium is well equipped with centralized AC and has wonderful lighting system.

AUDIO VISUAL LABORATORY

The College has wonderful well- lit air-conditioned Audio-Visual Room. It has a comfortable seating arrangement for 50 persons. It's well equipped touch screen board and projector facilitates to provide a great view.

CANTEEN

We have a spacious canteen for students and teachers. The Canteen supplies hygienically prepared food items of variety at a subsidized price to the students.

ASSOCIATIONS & COMMITTEES

Internal Quality Assurance Cell:

The Internal Quality Assurance Cell (IQAC) at JES Degree College, established on 13th August 2022, is dedicated to enhance the academic and administrative performance of the institution. IQAC's core mission is to promote a system of conscious, consistent and catalytic improvement in the overall performance of the college. Key objectives include improving academic standards and teaching methodologies, fostering student engagement in community service and enhancing students' creative abilities. IQAC also focuses on imbibing ethical values, promoting diverse skills and global awareness, establishing industry linkages for career development and continually evaluating effectiveness through feedback from various stakeholders. Environmental conservation and gender sensitization are prioritized among teachers and students.

Notable activities organized by IQAC include implementing comprehensive feedback mechanisms, conducting various audits, developing institutional policies, and signing MOUs with several organizations to enhance skill development. Staff development sessions cover topics such as Outcome Based Educational Framework and Educational Quality Enhancement. For students, sessions on Mental Well-being, Cybersecurity, Career Opportunities and Gender Equality are provided. Special events like Job Mela, the Big Brother Big Sister (BBBS) Project and Panel Discussion on gender inclusivity, further highlight IQAC's commitment to quality education and holistic development. These efforts have led to improved academic standards, increased community service engagement and enhanced environmental and social awareness, aligning with the college's vision and mission to nurture responsible global citizens.

N.S.S.

NSS unit was started in the year 2019-2020 with 1 unit of 50 volunteers, which has grown into 2 units of 100 volunteers. Through these years we have organized various activities like blood donation camps, food donations, tree plantation, cleanliness campaign, various seminars on women empowerment, voters day awareness, skits on Covid, Aids awareness, and Nirbhaya squad. A Village named Kokner at Palghar district has been adopted by NSS Unit of JES College and camps were organized to cultivate a sense of togetherness with the villages and exchange ideas. The village has been enriched with the activities conducted by our unit continuously.

DLLE

5 years ago our college enrolled for DLLE university program under the guidance of Principal DR PRASHANT H SHELAR. DLLE conducts skill development programmes of the University of Mumbai. Students are enrolled for extension work projects and have been performing various activities for social awareness. DLLE conducts different activities like self-defense, personality development seminar, career fair, Annapurna yojana (food mela), street play and many more. Our students participate during every academic year in various intercollegiate competitions and win prizes.

Women Development Cell

Women Development Cell (WDC) of JES was established in 2018 under the able guidance of Principal DR PRASHANT H SHELAR Sir. We have organized various events like "Mission Sahasi" where girls were given Live Training for Self Defense. Every year the cell organizes a special session on "Project Pavitra" by teachers of Art of Living where in adolescent girls are given sessions on Menstrual Hygiene and DO's and Don'ts during menstruation. A Sanitary Napkin Vending Machine was installed in 2021 by Lions Club, Colaba in the Ladies Common Room. Many competitions like Drawing, Painting, Poster and Slogan Writing are organized to bring out talent of students.

Placement Cell

JES COLLEGE OF COMMERCE SCIENCE & IT's Placement cell has been quite active and committed towards guiding and placing students in the most suitable organization as per their interest and caliber. Excepting the Covid years of 2019-2020 and 2020-2021, Placement cell organized interactive sessions for students of all streams of TYs with Techno-Serve, Fly High Aviation, ICICI Foundation and so on. In the past few years we have seen as many as 300 students being placed at various institutions in respectable posts at Motilal Oswal, Andromeda, BYJU's, HDB Financial Services, Axis Bank, HDFC LIFE, ICICI PRUDENTIAL, Hamley's. etc.

Cultural Committee

The cultural committee of JES college has been aiming at developing and nurturing the aesthetic talents of students and shaping their career by promoting the talents to get an overall development of students. Amit Ghadi & Mayuri are make-up artists in film industry, Puja Nisar a professional Mehendi artist and Yash Chilveri a painter have already established themselves. The Committee identifies Students with talent and train them to participate in various Intercollegiate and University Level competition.

Student Council Committee

Students' Council is a statutory body which coordinates the academic and extra-curricular activities in the college. Student members are admitted based on their performance in curricular and extracurricular activities during the previous year. Teacher in-Charge of various associations like NSS, DLLE, Sports etc. nominate their representatives to the Student's Council. It organizes various programme like Orientation, Guru Purnima, Prize Distribution, Farewell Function, Convocation for learners etc. The programs are organized keeping in mind the overall growth and personality development of learners. The Objective is to build up confidence in learners to lead to communicate and to organize events which would compliment their academic Careers.

Convocation 2024-25

Sports Committee

JES College Sports Committee organizes both indoor and outdoor sports for both boys and girls. Intra collegiate competitions are conducted to identify talented students so that they can be sent to participate in different inter collegiate competitions from time to time.

Our student Labesh Teli participated in World Field Indoor Archery Championship held in Wellington, New Zealand 2019 and bagged the Gold Medal

Various national championships won in Archery are by Mr. Labesh Teli:

➢ 9th Field Indoor Archery National Championship held at Agra: Represented team Maharashtra and won Silver Medal.

➢ 10th Field Indoor Archery National Championship held at Punjab Amritsar: Represented team Maharashtra and won Gold Medal.

➢ Mr. Mahendra Kadam won the Second Prize for Best Physique held at the Mumbai University's Intercollegiate (Sub Zone II).

Mr. Mahendra Kadam wins the Second Prize for BEST PHYSIQUE Competition held at the Mumbai University's Intercollegiate (sub zone II)competition held at Ismail Yusuf College (January 2024).

Scholarship Cell

Scholarship Cell of JES, established in 2018 is keen in creating awareness among students regarding the Scholarship schemes of Maharashtra State Government. The cell assists students to fill in online forms and upload the documents. The beneficiaries receive the amounts into their Aadhar linked accounts in two instalments during the academic year.

Electoral Literacy Club: JES – ELC

The JES – Electoral Literacy Club was formed on 12th October 2022, with the objective to sensitize college students on their electoral rights and the electoral process of registration and voting. It works with the moto 'Every vote counts' and 'No Voter to be left behind'. The member students have worked hard towards developing the culture of electoral participation and ethical voting. Different events organized throughout the year are – The wall of democracy, electoral literacy street play, voter ID registration camp, posters and slogans on the importance of vote and decorating election office.

Rotary Club of JES College: ROTARACT PARIVARTAN

Rotary Club of JES College: Rotaract Parivartan was installed on 5th January 2024. 20 Rotaractors joined the club. The special achievement of the club was Big Brother Big Sister (BBBS) project, the volunteers won the first prize for the institution. Various activities like collection of old clothes, shoes, story books, and toys and their distribution to the needy highlight the dedication and community spirit of its members. With the help of the Rotary club of Bombay Mahakali Heights, the volunteers organized a Panel Discussion to sensitize the youth about Gender Equality.

BIG BROTHER BIG SISTER PROJECT (BBBS)

The BBBS Project is an empowering movement designed to engage young adults as key stakeholders in combating child sexual abuse (CSA) within our society. Initiated by The Hands of Hope Foundation (THOHF) and spearheaded by the award-winning filmmaker and child rights activist Ms. Insia Dariwala, this project aims to spread awareness and educate communities on CSA. Though training sessions are held in schools and community, young adults are equipped to facilitate discussions on personal safety education in their homes. From January to March 2024, twenty dedicated volunteers (rotaractors) participated in this impactful project, earning the institution first prize recognition

INTER-COLLEGIATE FEST: PARIVARTAN

JES calls it PARIVARTAN. The Intercollegiate fest which was launched in 2022 has been quite successful. It has broken its record in the consecutive years and set the bar higher to bring in innovative trends i.e. the real sense of Parivartan. The very first year JES could set the stage for more than 70 colleges with a participation number of around 1100. Sponsorships from Saraswat Bank and NKGSB chiseled the events to fineness. Eminent personalities from various fields like Sanjana Sharma & Vaibhav Ghuge from film industry graced the two day event. JES expressed its gratitude by felicitating them deservingly.

In 2023, PARIVARTAN witnessed enhanced number of participants i.e. more than 1250 from 87 colleges. Dr. Satish Wagh from Supriya Life Sciences, a prodigee of Arvind Gandbhir High School was the rock support, the main sponsor, supported by NKGSB, Saraswat Bank and others. Eminent Personalities from TV industry, sports, culture, police department like Shri Vishal Pardeshi (Journalist & Producer) and Shri Sanjay Manjrekar chief of Fire Brigade motivated the participants and rocked up sheen to the threads of events woven intricately.

PARIVARTAN 24 was indeed a hat trick fest as the number of participants were over 1400 from nearly 100 colleges. Dr. Satish Wagh of Supriya Life Sciences was the main sponsor supported by other organizations who have faith in JES. The events showed a class by themselves with a grand variety. Some noteworthy personalities like Mr. Kedar Shirsekar television artist was felicitated during the two-days fest.

FUTURE ENDEAVOUR

The goals of JES are clear. JES wishes to start Post Graduation courses in Accountancy and Management and also a Law College. JES has plans for having tie ups and link with industry for providing Internship and Placement to the students. Our expansion plans are aiming at guidance and training for career-oriented courses for employment and self-employment as well.

With a positive attitude, various innovative, academic as well as non – academic activities for the students are conducted to empower the students in many ways. The College focuses highly on skill enhancement, employability as well as entrepreneurship to involve maximum number of students and provide them a platform for career and growth. The holistic growth that the learners gain at JES should guide them choose the right career and prosper steadily.
