The Student Council had an impactful year in 2024-2025, successfully organizing key events and initiatives to enhance student life. We conducted counselling sessions to support students' mental well-being and academic growth and fostering a more inclusive environment. The year began with a vibrant Freshers' Welcome, where new students were introduced to school life through fun activities and mentorship. Our annual Prize Distribution Ceremony celebrated academic excellence and extracurricular achievements, motivating learners to strive for success. The emotional Farewell Party honoured graduating seniors with memorable performances and heartfelt tributes. Additionally, the council actively supported various school activities, including sports events, cultural festivals and community service projects while serving as a bridge between learners and administration to address important concerns. Through teamwork and dedication, we strengthened our spirit and left a positive mark on our institution.
