TRAINING & PLACEMENT CELL
Annual Report for Academic Year (2024-2025)

Committee Members:

Mariyam Shaikh (Convener)

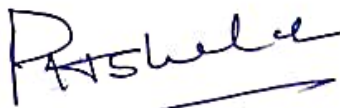

Dr. Vaishali Trivedi. (Member)

Mr. Vikram Desai. (Member)

The Placement Cell conducted a series of five impactful seminars for the third-year students, focusing on the theme of career readiness and professional development. The series began with "Unlocking Opportunities: From Classroom to Career" in the month of July which provided an overview of diverse career paths and skill-building strategies. This was followed by "From Runway to Skyway: Join the FlyHigh Journey" in the month of September highlighting exciting prospects in the aviation and aerospace sectors. The "Campus to Corporate" seminar conducted in the month of January offered insights into adapting to the professional environment and building a successful career after post-graduation. A dedicated session on Preparation for Different Competitive Exams equipped students with tips and guidance for tackling exams like UPSC, SSC, and banking. The final seminar, "Professional Transitions: From Graduate Study to Career Excellence", emphasized the importance of aligning academic pursuits with long-term career goals. The initiative was highly appreciated and served as a valuable platform for students to gain clarity and confidence about their future.
