Ms. Anjali Gaikwad (Member)

Panel Discussion for Third Year Students

A panel discussion was held on 13th September 2025 for third-year students. Five alumni from the insurance, IT, and photography fields shared their professional experiences. They discussed career opportunities, workplace expectations, communication skills, and the importance of continuous learning. The freelance photographer inspired students by sharing his journey of passion and self-motivation. The session was informative, interactive, and helped students understand different career paths.

Alumni Garba Night-A Cultural Celebration

A Garba Festival was organized for alumni students on 1st October 2025 at 5:00 PM on the college turf. The event brought together former students for a joyful cultural celebration and reunion. Alumni enthusiastically participated in Garba and Dandiya dances, creating a vibrant and festive atmosphere. The program gave everyone an opportunity to reconnect, share memories, and strengthen their bond with the institution. Overall, the event was lively, memorable, and celebrated the spirit of unity and culture.

No fire cooking workshop in collaboration with women development cell

The Women Development Cell (WDC) of JES College of Commerce, Science and IT organized a Cooking Workshop for girl students on 29th November 2025. The workshop was conducted by Ms. Mayuri Bhovad, an alumni of the college, who shared valuable tips on preparing healthy and nutritious meals. She demonstrated simple recipes and emphasized the importance of a balanced diet. Students actively participated in the interactive session and enjoyed the food tasting activity. The workshop successfully promoted healthy eating habits and received an enthusiastic response from the participants.

Job Placement Drive in Collaboration with Training and Placement Cell

The JES Alumni Association in collaboration with the Training and Placement Cell, organized a Job Placement Drive for Alumni students. The drive was held on 4 April 2026 for B. Com, BMS, and BAF students, and on 10 April 2026 for B.Sc. IT students. Reputed companies participated and offered career opportunities across various sectors. Students actively appeared for aptitude tests and interviews, gaining valuable industry exposure. The placement drive helped students enhance their employability and connect with potential employers.
