Health Facilities

Your health and well-being are an important part of your overall development. Our college is committed to providing a safe, healthy, hygienic, and supportive environment that promotes the physical and mental well-being of every student.

- **A medical room with basic first-aid facilities** is available on campus to provide immediate assistance in case of minor injuries or sudden illness.
- **Medical support is readily available through a doctor on call**, along with tie-ups with nearby hospitals to ensure prompt assistance during emergencies.
- **Regular health check-up programmes** are organised to help students monitor and maintain their health and fitness.
- **Counselling, yoga, and wellness activities** are conducted to support students in managing stress, improving mental well-being, and developing self-confidence.
- **Clean drinking water, proper sanitation, and hygienic campus facilities** are maintained to ensure a safe and healthy environment for all students.
- **Accessible facilities for students with disabilities** are provided, including ramps and specially equipped washrooms, ensuring a comfortable, safe, and inclusive campus environment.

We believe that good health and mental well-being are essential for academic success and overall student development. Health & Wellness Committee (2026-27)
