

The Principal's Voice

"Progress begins with learning, is strengthened by perseverance, and finds its true purpose in serving society."

It gives me immense pleasure to present this year's edition of our College Magazine, inspired by the theme "Pragatishil Bharat – A Progressive India." This theme reflects the vision of a nation progressing through education, innovation, inclusivity, and responsible citizenship. As students, you are not only witnesses to this transformation but also its future architects.

Over the past eight years at JES College, I have had the privilege of witnessing the remarkable growth of our institution and its students. With the constant support of our management, the dedication of our faculty, and the enthusiasm of our students, we have created an environment that encourages academic excellence, personal growth, and social responsibility.

At JES, learning extends beyond the classroom. Through NSS, DLLE, Women's Development Cell, Rotaract, Research initiatives, Sports, Cultural activities, and various student forums, our students develop leadership, confidence, teamwork, and a spirit of service. These experiences equip them with the skills and values needed to excel in their professional and personal lives.

This magazine is a reflection of the creativity, achievements, and aspirations of our students and faculty. Every contribution represents curiosity, hard work, and the vibrant academic culture that defines our institution. It stands as a testimony to the collective efforts of the entire JES family.

A truly Pragatishil Bharat is built by individuals who embrace knowledge, uphold integrity, and use their abilities for the greater good. I encourage every student to remain curious, think independently, and strive for excellence in every endeavour.

I congratulate the Editorial Committee, faculty members, and students for bringing this publication to life. May this magazine inspire every reader to dream big, learn continuously, and contribute meaningfully to building a progressive and prosperous India.
